Registration packets are past due! If you have not turned in your packet, please do so quickly. We have classes starting to fill up for the new year and we cannot guarantee a spot for your child if registration is not completed. April Special Activities and Field Trips

This month our classes have an Easter party in their classrooms. Also, our older preschool-age classes will take a field trip to the park for an Easter Egg Hunt. Later in the month, they may also visit the strawberry patch. Check with your child's teacher for details about these activities.

A Note From Mrs. Chanda

Parents,
Please be reminded that any information or correspondence that are sent home to please return it in a timely manner. We need to make sure that our children's files are up to date and in order.

Also, we know that emergencies can come up at any time. However, please make sure to include any names that are allowed to pick up your child. This is very important for the safety of your child.

If there are ever any questions or concern that you may have, please feel free to contact me.
