## Tips for Cooler Weather

- Bring a change of weather appropriate clothing to keep in your child's cubby. Don't forget undergarments!
- Label removable clothing such as jackets, hats, and gloves with your child's name.
- We go outside every day at least once a day. We follow Child Care Weather Watch to determine if it is safe for outside play. If your child needs to remain inside, a written note from you or a physician is required.

## Health & Medicine

- We will call you to pick up your child if he or she has a fever, rash, is vomiting, has diarrhea, or has a fresh cold. Your child must be symptom-free for 24 hours before returning to class.
- If your child will be absent due to illness or due to an appointment, notify the office or your child's teacher.
- In order to give any medication, we must have a complete, signed Medication Administration Permission Form on file. This form is available from your child's teacher. Medications must be in original packaging with pharmacy label. Over-the-counter medications may not be administered.
- If you have not submitted your child's Medical Form (Physical) and Immunization Record, please do so as soon as possible! The forms may be faxed to 910-738-7858.

## Thanksgiving Feast — November 20

On the morning of November 20, our classes will have a lesson on Thanksgiving and enjoy a few snacks that represent some of the foods that may have been at the first Thanksgiving meal. We will have corn chips, honey, popcorn, raisins, and apple juice. If you have questions about this activity, contact your child's teacher.

## Fire Department Field Trip Rescheduled

The fire department field trip for 4-yr & PreK classes has been rescheduled to Friday, November 9th. They will walk to the Fire Dept. around 9:30 am.
