Dear Parents,

Our goal for the Early Childhood Ministry is to provide the very best care for your child while you are at work. We strive to maintain high standards in every area of our program, especially with experience, loving staff members.

We face the same problems that other businesses do in dealing with the rising costs of all our supplies and foods.

The Early Childhood Committee, after examining all options, has made the decisions that we must increase our fees for preschool-age children effective January 1, 2020. Enclosed is a listing of the new fees. This action will enable us to continue the quality care we are accustomed to providing and keep the qualified staff you have come to love.

Thank you for your continued support and cooperation, and for allowing us to be a part of your child's growing years. Should you have any concerns or questions regarding this information you may email me at chandahughes@fbclumbertonnc.org.

Thank you,

Chanda Hughes, Director
First Baptist Early Childhood Ministry
