being the church

A few years ago, we did a church-wide summer emphasis titled "God is Here." The concept was simple: take a sign that said "God is Here," and wherever your summer leads you, recognize that God is with you, and take a picture with the sign to remember it. The diversity and creativity from those pictures was a beautiful reminder of God's presence with us wherever we go.

This year, we find ourselves scattered as we stay home and social distance. But even though we can't be together AT church, we are still BEING the church through how we worship, serve, love, and learn together (while physically apart). In that spirit, we are introducing a new church-wide emphasis with a new sign: "Being the Church." As you find creative ways to BE the church during this time, take a picture with your sign and send it in to us! Pick up your sign during tithing time, or print your own from the weekly email. We look forward to seeing your pictures—and more importantly, seeing the many ways we all are being the church.
