END OF YEAR GIVING STATEMENTS

Since it's the time of year when we are closing out the old year and getting ready for the upcoming year, we are also looking at a large task when it comes to getting contributions statements ready for 2021. Our Money Counters, office staff, and Financial

Secretary are working together to collect information from paper records, office deposits, and online contributions to create contribution statements manually. Previously, the ACS People software made accessing giving statements easy to access with the reports feature. We are now having to go "old school" and recreate records on paper. Our goal is have your contribution statement report for you by January 31, 2022. With that being said, your report will look different than what we provided in previous years. One of the biggest changes is that only your total giving amount, instead of each gift, will be listed on your 2021 contribution statement.

We greatly appreciate your flexibility and patience with office staff during this time of year. If you have questions, please call the office (910-739-4336) or email the general office email (office@fbclumbertonnc.org).
